First Time Login

- Go to: stmary.myschoolapp.com

- Click “Forgot login or First time logging in?”

- Input the parent email address that was provided to the school.
- Check the username and password boxes
- Click send
Parents will receive two emails:
  o Username Request
    ▪ Provides the parent their username
  o Password Request URL
    ▪ Provides a link for the parent to reset their password
    • Click on the link and set your password
• The next time you login input your username and the password you created
• Note if you receive any errors please contact helpdesk@stmary.ws for assistance

Parent’s Landing Screen

The Parent Landing page is Recent Activity
  o Provides a stream of news items tailored to your child and their classes and extracurricular activities
• **Featured Content**
  - offers pinned news items of important school events
Parent Account Settings

- In the upper right hand corner of the screen click the arrow next to the parent’s name and the drop down will appear

- **Profile** shows the personal information the school has on file about the parent

- **Files and Forms**
  - Parents may review/print previous completed electronic forms
- **Settings**
  - Where parents can set notification preferences

- **Click Notifications** to setup email/text alerts

- Check the boxes for the notifications you would like to receive
  - Please note *Announcement Posted, Game Reminder, Practice Reminder, & News Posted* require the user to click setup options and choose the groups they wish to receive notifications for.
• Setup Options are shown below and parents can further delineate what types of notifications they wish to receive

• Please note for every notification you opt-into you will receive emails/text for all new postings.

• **Text Notification Setup**
  • To opt into receiving text notifications click the key under Text Number and the following screen appears:

    ![Edit Text Enabled Device](image)

    - Enter your full ten digit cell phone number and select your wireless provider
      - You will receive a text message with an activation code (*note that this can take upwards of 5 minutes*)
      - Return to the notifications page to complete the verification process
Student Progress Page

- Click the name of your child, or if a parent of multiple students, click the drop down *Children* and select the child you wish to view. The following screen appears:

- **Progress** is the student landing page. It is used to access
  - Report Cards
  - Review student performance in classes
  - Ability to message teachers
  - Review attendance and discipline
  - Identifies the student’s guidance counselor
  - Provides information for any of the student’s extracurricular activities & sports teams
• **Schedule**  
  o Identifies the student’s daily class schedule

• **Assignments**  
  o Lists student’s current and past homework assignments/tests

• **Conduct**  
  o Review of any student infractions, including date, type, and if served

• **Course Requests**  
  o Location for parents to review student course requests

• **Contact Card**  
  o Displays the student’s biographical information  
  o Parent’s can add new emergency contacts by clicking manage phones

### Accessing Grade Detail Information

- On the *Progress* page click *see grade detail* to review students performance on homework, test, quizzes, etc. Below is an example of what will appear.
Class Bulletin Boards, Topics, & Assignments

- Click on the name of a class from the Progress Page
  
  - You will land on the Class *Bulletin Board*
    - Bulletin Board provides critical dates and class information
• Topics
  o A place for teachers to provide information on the classes curriculum and areas of studying, including videos narratives and other resources for students.

• Assignments
  o All homework, exams, and quizzes are posted under assignments.
  o Click on the individual assignments for further detail.
  o Note ONLY shows assignment for the single course you are viewing.
    ▪ To see assignments for all courses return to the progress page and choose assignments
